

Izzy Nidetz

Izzy is the Director of Placement at Pasadena Humane and has dedicated over a decade to animal welfare. From a young age, Izzy knew she wanted to work with animals but wasn't sure in what capacity. At 15, Izzy began volunteering at a local rescue and quickly developed a deep passion for helping animals. Izzy earned a B.S. in Animal Science with a concentration in Veterinary Medicine from Cal Poly, San Luis Obispo, and gained extensive experience working and volunteering at veterinary clinics, a local humane society, and a county shelter. This journey ultimately solidified Izzy's commitment to supporting homeless animals.

In 2017, Izzy joined Pasadena Humane as the Foster Coordinator. During her time on the Foster Team, she developed a robust neonatal kitten foster program and, with support from Maddie's Fund, launched dog foster field trip and sleepover programs. Now, as Director of Placement, Izzy oversees the Adoptions, Foster, and Transport programs. She is deeply passionate about finding creative solutions for both the community and the animals in need.

Izzy lives in Los Angeles with her partner and their two cats, Mr. Macaroni and Teddy, both of whom are cherished "foster fails."
