

CalAnimals Officer Academy - Advanced

A web-based, on-demand course consisting of more than 40 hours of training in California state laws and animal care, and meets the requirements for 40 CEUs every 3 years outlined in Health and Safety Code Sec 26222 and California Corporations Code Section 14502 for Certified Animal Control Officers and State Humane Officers. This academy is a collection of video trainings conducted by a variety of exceptional experts in our field.

California Animal Welfare Association
