

Adriana Atteberry

Hi, I'm Adriana. I'm an Animal Services Supervisor for the Town of Apple Valley.

I've worked for Animal Services for 16 years. I started with the department as a part-time Technician working the front counter and worked my way up to full-time within a year. After 5 years as a technician, I was promoted to Administrative Secretary within Animal Services. In October 2017, I became the Animal Services Supervisor. I love my job and hope to continue to help make a difference for those that can't speak for themselves, 4 paws at a time.
