County of Los Angeles, Department of Animal Care and Control

Animal Control Manager

I have been an Animal Control Manager for the County of Los Angeles, Department of Animal Care and Control since 2016, and manager of the Palmdale Animal Care Center since 2018. Passionate about animals, I started my career with DACC in 1998 as an Animal Shelter Aide, and promoted through the ranks as Animal Control Officer, Sergeant, Lieutenant and Animal Control Manager. I studied Marketing and Advertising at the Universidad Mariano Galvez de Guatemala. In 2018, I successfully completed the Executive Leadership Development Program with the University of Southern California (USC). I am a certified Hearing Officer by the Department of Animal Care and Control and a member of the Los Angeles County Management Council. I moved to the Antelope Valley from Los Angeles in 1996. In my free time, I love to spend time with my family and my tree dogs, Newton, Bell, and Pebbles. Grateful for an amazing team at DACC, I make sure the animals in our care are placed in forever homes and promote responsible ownership in my community.
