

Sandra Alvarez

Hi, my name is Sandra Alvarez and I have 17 years of experience working in the animal welfare field. I worked for two years as an Animal Care Technician for Kern County Animal Services, and 15 years for the Bakersfield Police Department. Ten of them have been spent serving as the Senior Animal Control Officer. I am motivated and eager to gain new leadership skills, communication skills, and knowledge. I have been involved in numerous community events to promote animal welfare and responsible pet ownership. I thrive to be a role model to my fellow co-workers. I am very grateful and honored to be a part of the Bakersfield Community and my goal is to provide our community with excellent service.

My hobbies outside of work consist of spending as much time as possible with my husband and two children. I own various pets, ranging from dogs, cats, and farm animals. My favorite time of year is summer because we spend a lot of time camping in the mountains and enjoying nature.
