

## **Stephanie Riley**

Stephanie has been privileged to be part of the County of Santa Clara Animal Services team since 2016. She began as an Animal Control Officer, then became the Senior Officer. In September of this year, she was hired on as the Field Services Manager, overseeing a department of four officers who handle an average of 3,000 calls a year. Stephanie coordinated Animal services efforts for the SCU Fire Complex and oversees the County's volunteer Large Animal Evacuation team. Stephanie's goal is to lead the field services team to a more supportive style of Animal Control, focusing on keeping pets and families together and offering resources to improve those relationships.

In her free time, she enjoys spending time with her family and enjoys working with horses, specifically Mustangs.
