

Ashley Elamrani

Ashley is a seasoned animal care professional who has over 9 years of experience in multiple aspects of both municipal and non-profit sheltering. In 2019, she had a huge hand in the successful opening of a brand-new shelter for the City of Elk Grove Animal Services, in Elk Grove, California. Ashley singlehandedly created several lifesaving initiatives, including a robust Foster and Rescue program, an extremely effective RTF and Working Cat program, and the community favorite, "Doggy Day Out" program. The foundation of her career started from supervisory positions in the Adoptions and Intake departments at the Sacramento SPCA. Ashley is furthering her contributions to the animal welfare field by pursuing a Bachelor of Science degree in Business Administration, with a concentration in Public Administration. She was awarded Employee of the Year for the City of Elk Grove in 2020 for her entrepreneurial approach to her role as Senior Animal Care Specialist and her focus on positive outcomes. In the future, Ashley plans on being a Shelter Director, or in the C-Suite of an Animal Welfare related organization. Outside of work, she creates memories with her husband, two daughters, and her senior pit bull.
