

Larry Ortiz

My name is Larry Ortiz. I'm 33 years old, from Santa Barbara California. I've been working at Santa Barbara Humane for the past 9 years. In that time, I have moved up from Kennel staff, to, Enrichment trainer, to Behavioral trainer, to my current position as the shelter supervisor. I have been the supervisor for over a year, and I am eager to continue to learn more about being a great leader to my staff.
