

Connie Hooker

Stanislaus Animal Services Agency

Operations Supervisor and Field Officer

Connie Hooker manages all aspects of daily activities for field services, including managing dispatch. Connie believes that animal welfare is a cooperative effort with the community and animal services agencies to create a balance between enforcement and education. In addition to managing field services, she oversees daily operations of the shelter on the three days a week that the Operations Supervisor/Shelter is not on duty. She has completed Supervisor Training Academy and is CACO certified. Connie holds a BS Degree in Animal Science from California State University-Fresno.
