COURSE DESCRIPTION

This is a basic animal-law enforcement training academy that meets the training requirements established in CA Corporations Code Section 14502 and Health and Safety Code Sec 26222 for humane officers and Certified Animal Control Officers.

Animal control Officers, humane officers, and private parties who wish to work in this challenging but rewarding field will learn the knowledge and skills to embark on an animal-law enforcement career or learn new skills, and techniques for professional conduct and legal compliance.
